

Biological & Agricultural Engineering Student Computer Account Application

All information must be filled in, and the form signed and dated to receive a computer account.
PLEASE PRINT CLEARLY!

Rules of Operation: (Signing below shows acceptance.)

- Food, drinks or tobacco products are prohibited in the computer labs.
 - Lab doors are to stay closed. Do not block the doors open.
 - Printer usage is for academic purposes only.
- Computers may be erased at any time without prior notice!**
- All computer software is the property of the Department of Biological & Agricultural Engineering at Texas A&M University. Software piracy is a federal criminal offense and will be prosecuted.
 - No one is allowed to install software for personal, instructional, or evaluation purposes without approval. Software is defined as commercial, shareware, or freeware.
 - It is a criminal offense to give out your password to anyone.

Violators of any of the above rules will have their account suspended for a period of 24 hours pending further review. On the 2nd violation, your account will be suspended for the remainder of the semester.

- Destructive acts to any computer system, peripheral, or operating system will result in the immediate suspension of your account for the remainder of the semester pending further disciplinary action.

The Department of Biological & Agricultural Engineering's computer labs are only open to BAEN students and/or students currently enrolled in BAEN courses. If you are not currently enrolled in the department, your account will expire at the end of each semester. By signing this form, you show acceptance of all terms and conditions of the BAEN Computer Labs.

Please return this form to David Riggs (Scoates 213) or Leo Owens (Scoates 224) for your username and temporary password.
