

# Attention Freshmen and Sophomores... Interested in High-Impact Learning?

**Then, apply for the five-week Reuse Water Quality Research and Extension  
Experiential Learning for Undergraduate (REEU) program.**

**Application Details on <https://reeu.baen.tamu.edu/>**

**Quotes from our past students:**

*“This program was one of the best things I could have done in terms of finding my career path and what I want to do once I graduate... Because of this program, I am now highly considering working in water quality to better improve our impact on the environment as well as improving the quality of life around the world.”*

*“Because of this program, I am now highly considering working in water quality to better improve our impact on the environment as well as improving the quality of life around the world.... This program gave me valuable insights, advice, and opportunities to help me achieve these goals.”*

**Program Dates: May 31, 2021 – July 2, 2021**

*If circumstances require, this program may be virtual or cancelled due to COVID-19 ongoing situation.*

**Application review will begin December 14, 2020.**
